

Constitutional Amendment assignment:

Create a multimedia presentation for your assigned Constitutional Amendment Using Google slides: Use 3-5 slides with 1 picture on each slide to help show your topic. The following information should be included in your presentation:

Historical background of the amendment? Why was it proposed? When was it proposed/ratified?

Arguments for/ against the amendment?

Why was the amendment not included in the original Constitution?

Key people involved in the passage of the amendment?

What was the impact of the Constitutional amendment? What happened as a result of Amendment?

Come up with a way for your classmates to remember your amendment
